

## **TRAVEL IN ISRAEL AND PALESTINE\_OTHER OPPORTUNITIES TO VISIT AND SERVE**

**The Ecumenical Accompaniment Programme in Palestine and Israel (a project of the World Council of Churches) offers participants to spend three months working for peace with Israelis and Palestinians.**

**Additionally, there are many organizations that regularly conduct visits, seminars, and service trips that are in harmony with our calling to authentic travel; you can find upcoming opportunities on the Alternative Travel Listing maintained by Friends of Sabeel North America. Visit: [www.fosna.org](http://www.fosna.org)**

**Below is a growing list of our favorites:**

**+ Christian Peacemaker Teams: This is a program of active peacemaking, sponsored by a number of peace churches and organizations. Building on their motto of "getting in the way," they seek to place themselves at the friction points of the occupation. CPT is reviewing their work on the West Bank, but in the meantime is continuing to send these powerful short-term delegations. Visit [www.cpt.org](http://www.cpt.org).**

**+ Interfaith Peace Builders: Organized jointly by the Fellowship of Reconciliation and the American Friends Service Committee. Their regular trips spend time with those working for peace and reconciliation on both sides of this conflict. We strongly recommend them. Visit: [www.interfaithpeacebuilders.org](http://www.interfaithpeacebuilders.org).**

**+“Keep Hope Alive” is a peacemaking mission project established by Presbyterians in the San Francisco Bay area in collaboration with the YMCA & YWCA in Jerusalem, Palestine. Visit [www.jai-pal.org](http://www.jai-pal.org)**
